## International Festival of Photography and Image Culture

# 1-31 July 2011

PHOTOIRELAND FESTIVAL 2011, 1-31 JULY

Welcome to this second edition of Ireland's Festival of Photography and Image Culture, which will take place in the month of July in over 60 locations around Dublin city.

Within this year's theme of 'Collaborative Change', we are investigating the possibilities of collaborative approaches within artistic and non-artistic disciplines. The series of events include a conference as well as exhibitions by photographic collectives, a performance archive, and curatorial teams.

Our focus on photobooks consists of the exhibition 'Martin Parr's Best Books of the Decade' and PhotoIreland's first Book and Magazine Fair, showcasing publications from over 70 international publishers and the winners of a Dummy Award.

Other Exhibitions highlights are hosted by the Gallery of Photography, the Instituto Cervantes, the Mexican Embassy and the Sebastian Guinness Gallery, the Irish Museum of Modern Art, the Royal Hibernian Academy, the Douglas Hyde Gallery and the Temple Bar Gallery and Studios.

Our OFF programme offers a selection of over 40 exhibitions around the city of Dublin.

The programme Collecting Photography includes a set of talks at IMMA and the Summer Campus features workshops, talks and screenings in the field of photography and image-making.
